ECO Agency

**The Energy and Conservation Organization, is the Sustainability Branch of UM's Student Government.**

Do you have an idea for a green initiative that you'd like to see on our campus? Your idea could help us reduce our carbon footprint, our water footprint, enhance our recycling programs or start an educational campaign. Please feel free to reach out to ECO 2016 Chair Joshua Lomot, who would be more than happy to discuss your idea with you and explore the possibility of making it a reality!

GREEN MOVE IN has been a success this year!

Thanks to a real team effort, from our new residents, parents, HRL, Facilities and our custodial staff, we were able to Recycle 20 tons of material, offsetting 20% of our total waste from Landfill. Added to the rest of UM waste diversion efforts like yard waste mulching, copy paper reduction, reused cooking oil, toner recycling and surplus reuse, we reached a total 33% waste diversion rate!
