I do as much as I can. No infrastructure available

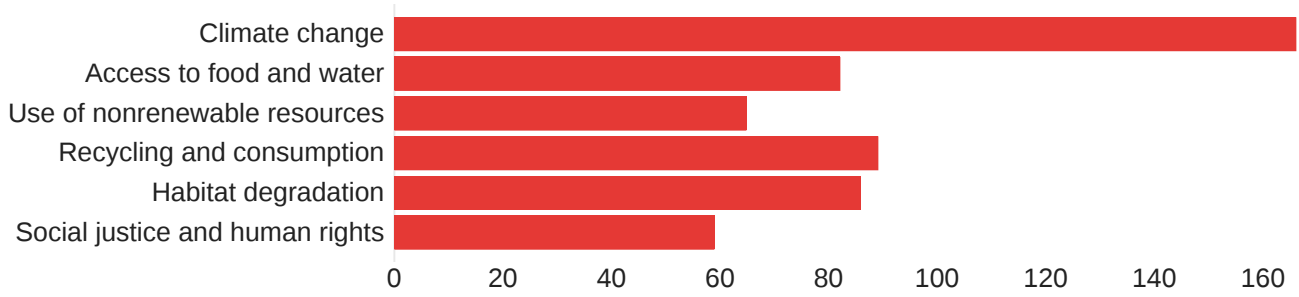

I do not thin k there is eneohtj ways to rececly stuff on campus

I do not feel the US as a country makes it easy for people to correctly recycle

Because I am an avid environmentalist.

because its right

Q15 - What NEW programs or projects would you like to see offered or implemented here at UM?

What NEW programs or projects would you like to see offered or implemented here at UM?

Expanding greater sustainability outreach within UHealth.

1. Campus Compose station for food in campus community garden 2. Solar powered path away lights, electric charging stations to scooters or electric bikes, 3. Eyeglass and cell phone recycle stations

Composting at home

HCreat a sustainability project idea page to connect people to departments and resources so that it is not simply a one time survey but an ongoing feedback opportunity. Also connect HOPE or Environmental Law Society programs and projects to the Sustainability Office, if they are not already. Provide Wellness points for participation in sustainability webinars and community collaborations. Thank you!
