GARDEN COMPOSTING

GOES IN:
- Non-citrus scraps
- Minimal finely crushed Eggshells
- Veggie scraps
- Paper towel, no grease or cleaning products
- Shredded paper bags

STAYS OUT:
- Cardboard (unless shredded)
- Dairy
- All meats, bones, and fish
- Citrus
- ALL plastic, even compostable plastic

Empty your bucket in a tumbler + Add the same amount of woodchips from the pile behind you.
PLEASE break food waste in small pieces, otherwise our little friends, the bugs will get an indigestion :)
