CLEAN PAPER • LIGHT-WEIGHT
CARDBOARD

EMPTY BOTTLES • EMPTY CANS

RECYCLE

NO FOOD
NO STYROFOAM

NO LIQUIDS
NO USED TOWELS

The sign features a central recycling symbol. To its left are icons for a sheet of paper and an open cardboard box. To its right are icons for a plastic bottle and an aluminum can. Below the sign, there are two 'no' symbols: one for a plate of food and one for a cup with a straw.

Empty your recycling desk bin into
the tall blue containers

Waste that goes into Red Bags?

Use **RED BIOHAZARD BAGS ONLY** for the disposal of biomedical or biohazardous waste.

REMINDER:

1 Lbs. of red bag waste is **SEVEN TIMES** the price of 1 Lbs. of regular trash.

NON-CONTAMINATED WASTE should be tossed in a regular trash bin.

Protected Health Information (PHI)?

Drop your Confidential paper **DIRECTLY** from your station into the nearest **SHRED-IT** console.
