

**PREMIOS VERDES
2022**

**9TH EDITION
MIAMI, FLORIDA**

**PREMIOS
VERDES**

We are the most relevant sustainability festival in the region which, each year, awards, gives visibility and creates networks among the best 500 social and environmental projects in Ibero-America.

Thus, we boost the green economy by showcasing regional initiatives in 8 categories aligned with sustainable development goals (SDGS).

→ EXHIBITION

The exhibition features the **finalist projects** of Premios Verdes 9th Edition grouped into 8 categories such as Biodiversity, Energy or Economy.

APRIL 20-22 | Shalala Center (University of Miami) | **9 AM - 5 PM**

→ CONFERENCES

APRIL 20-23 | Fieldhouse at Watsco Center (University of Miami) | **10 AM - 7 PM**
