

Recycling made easy for you.

Did you know ink and toner cartridges that end up in landfills take up to 1,000 years to decompose? By working together, University of Miami and Staples help protect the planet and make sure empty cartridges don't end up in the trash. Not only do we recycle all of your ink and toner cartridges, regardless of brand, we give you three easy ways to do it.

Order your collection box using

**U MARKETPLACE Staples Punch Out
Item # 984666**

- 1. Driver pickup program: Our drivers will collect your cartridges the next time a delivery is made.**
- 2. Prepaid return mailing label: Mail your cartridges back for free. Simply print your label at StaplesAdvantageRecycling.com.**

For more information about your recycling program, talk with your delivery driver or contact your Customer Success Consultant at Marie. Joachim@staples.com.
