Miami = Ground ZERO 4 SLR
I DON'T BELIEVE IN GLOBAL WARMING.
Positive proof of global warming.
UM is taking action!
The Patricia Louise Frost Music Studios are LEED Platinum.
WE ARE STILL IN
UM got its first SILVER ranking on the STARS program

STARS is a transparent, self-reporting framework for colleges and universities to measure their sustainability performance.
Renewable Energy

> The brand new Patricia Louise Frost Music: **50 KW Photovoltaic solar panel system**

> Food Court: **20 KW Solar PV system sponsored by ECO**

Energy Efficiency = Savings
U Conserve Survey Report

August 3rd 2018, 10:10 am EDT
Q4 - Select the features that you already installed in your home

- LED or CFL bulbs
- Programmable thermostat for AC unit
- New efficient AC unit
- Energy Star washer and dryer
- Tankless water heater
- Insulation in the attic
Q5 - Select the ways you save energy at home

- Set the water heater on 120 F
- Turn off the lights
- Raise the temperature on the AC unit when I leave
- Use fans instead of AC
- Unplug all electronic appliances
- Change the AC filter every month
Q7 - Do you look at your energy usage printed on your bill each month?
Q10 - Rank the factors that make you want to save energy at home
Q13 - These devices control electrical loads remotely, they can be programmed to be turned off and on. Which one is best suited for your office?
